Welcome to the 2025-26 snapfresh Meal Catalogue

The leader of ready-made prepared meals, snapfresh produces up to 20 million meals annually in a fully HACCP, Halal, and export-certified facility. We ensure quality and consistency through strict external audits, and offer various delivery options to meet your needs, including ex-works, FIS and FOB. Our popular markets include:

- ✔ **Airline and airline lounges**
- ✔ **Retail**
- ✔ **Hospitals**
- ✔ **Aged Care**
- ✔ **Institutional and government sectors**

We also cater to contract manufacturing, and export segments, and offer a variety of meals through vending machines. Our meals come in single-serve and bulk formats, covering both Western and Asian styles. Menus can be customised based on preferences and ordered qualities.

This catalogue showcases some of our popular high-quality frozen meals. We have many options that we can discuss with you, along with our research and development team. As a one-stop-shop, we can also source non-stock food items and supplies from our extensive network.

For any meal or logistics questions, including pricing, please contact the snapfresh sales team.
